## GENERAL LEGEND

(The Turtle ship)

The Korean Legendary warship invented and used by General Yi Sun-sin from the early 15th century up until the 19th century.

The Turtle ships fought and won victories against invading Japanese fleets.

The ship has been worshipped and admired to be 'Generally Legendary' in Korea over Centuries and so is our Rice whisky derived from / and still sticking to – the Traditional method of distillation passed down from hundred years back.

# GENERAL LEGEND / 귀:선

Distilled, bottled, and aged at the JPNK Distillery in Andong, Korea.

After our Rice spirit is matured in newly charred oak, it is then finished in the American White Oak for complexity and unique flavorful finishes.

**GENERAL LEGEND** is made with 100% Rice, harvested and carefully selected from Andong region highly celebrated for the Luxury-grade white rice.

This is truly a Korean experience that will never be replicated. Welcome to JPNK where we create the world's best Korean Whisky to ever hit the market.
